

Scratch Cards

ACT is a company which has in its portfolio scratch cards production. Scratch cards are taking big part of our production capacity.

Scratch off panel

We are able to provide the Telecommunication companies and providers with all kinds of cards they could need: 1in1, 2in1, 3in1...10in1.

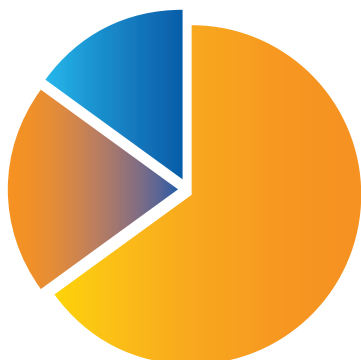

As we know a scratch card is a small card made of thin plastic or paper, contains a scratch-off panel which conceals a PIN number or other information (e.g. prize name).

Holographic overlays

We are equipped with the latest and most efficient technology, well trained staff, organized processes and high level of quality control approved by ISO 9001-2008 to produce any kind of scratch cards, whether it is plastic or paper. Yearly we are producing more than 400 million cards. Huge list of our customers and partners starts with STC, Mobily, Zain, Al-Atheeb, Morocco telecom, MTN Yemen, Awal Net, Etisalat...
